

CALL FOR PAPERS

Proposal for Special Session on “Knowledge-driven Computing (KDC)”

Session Chair(s):

Prof. (Dr.) Sireesha Rodda, GITAM University, Visakhapatnam, India
sireesharodda@gmail.com, +91-9848503365

Prof. Pritee Parwekar, ANITS, Visakhapatnam, India
pritee2000@gmail.com, +91-7702335901

Theme of Session:

The main aim of this special session is to provide a platform for researchers, academicians, scientists and engineers to present and deliberate the latest developments in the domain of knowledge-driven computing and its applications to engineering, business, education, life sciences and other allied fields.

Knowledge-driven Computing is an upcoming area which includes diverse areas requiring solutions to computational challenges come within its purview.

Topics of Interest:

We invite original (un-published) research contributions based on the above mentioned theme including following topics **but not limited to**:

- Smart Computing
- Evolutionary Computing
- Soft Computing
- Data Mining
- Big Data Analytics
- Internet of Things
- Business Analytics
- Bio-Inspired Computing
- Sustainable Computing
- High Performance Computing
- Knowledge Representation
- Decision Support Systems
- Wireless Sensor Networks

Paper Submission Process:

Please submit your paper (in word/pdf format) at
email: kdc.india2017@gmail.com
with ‘Knowledge-Driven Computing (KDC)’ mentioned in the subject line.

For any further queries related to this special session, please contact the session chairs at:
E-mail ID: kdc.india2017@gmail.com
Mobile No.: +91-9848503365 (or) +91-7702335901
