To,

Letter of Invitation for Oral Paper Presentation

Dear Mr./Ms. _____

The Fourth Series of conference INDIA-2017 (Fourth International Conference on Information systems Design and Intelligent Applications) will be held at Duy Tan University, Da Nang City, Vietnam during June 15-17, 2017. You have already been informed that your paper:

Paper#	
Title	

has been accepted and registered for presentation at INDIA-2017 and for publication in its proceedings published by Springer AISC Series (as per the policy of Springer).

On behalf of INDIA-2017 Organizing Committee, I would like to cordially invite you to participate in the conference and present your paper. The track-wise schedule of your oral-presentation would be available shortly on conference website.

As we have limited sponsorships, the boarding, lodging and the travel expenses for the conference will be required to be borne by you. However, we have liaised with the hotels and travel agencies to assist you in booking accommodation. We express thanks to you for your valued contribution to INDIA-2017 and look forward to seeing you in Da Nang city at the conference time!

Dr. Nguyen Gia Nhu

Organizing Chair and Editor INDIA-2017,
Duy Tan University.

Danang, Vietnam is the biggest city in central Vietnam, which is also close to a number of World Heritage sties like Hoi An ancient town or the imperial capital of Hue. This coastal city is a harmonious combination of traumatic past and high-rise future with honest and hospitable residents and various cultural and architectural heritages. We hope you would take the opportunity to enjoy Da Nang and all that is has to offer.
